Driven Wild Boar Shooting

France, Hungary, Romania & Croatia

- Date(s):** Shooting European Driven Season: ~ November to February.
- Rifles / Days:** Team of 10 to 15 rifles; 2-3 days shooting (free-range & fenced shooting areas).
- Expected Bag:** 50~100+ wild boar over 2-3 days..
- Price:** Shooting Pricing depends on country, location, no. of days, bag size & accommodation. Payment terms available in £ Sterling, € Euro or \$ US Dollar.
- Overage / Underage:** This is negotiated on an estate by estate basis, within the proposed itinerary: We operate a set 'overage' and 'underage' itinerary based on a bag size scale rate over the duration of the trip - refundable or payable on the expected bag size.
- Insurance:** European shooting / hunting liability insurance is required. Travel / medical insurance for & stating 'Game Hunting' for the required country is highly advisable:- www.sybaritesporting.com/insurance
- Firearms:** Rifles & ammunition maybe imported for driven wild boar shooting.
Rifles & Ammunition We will advise on the specific counties, rifle and ammunition import limits, that should be imported for hunting purposes. We recommended that a rifle calibre of no less than 7mm with a bullet of 160+ grains; .270 or the .30 calibres for wild boar is preferred, and a rifle scope with a low magnification capability. We can advise on and organise the administration of Firearms Import Permits (Licences) and Ammunition Importation for the chosen hunting country.
N.B. We will advise on the legal use of sound moderators per hunting country.
- Accommodation:** Accommodation is based on 10-15 people for 3-4 nights (i.e. from the night before the first hunting day to and including the night of the last hunting day), lunch and dinner is included in the total Wild Boar shooting price. The hotel / hunting lodge depends on hunting country and location.
- Travel Details:** The arrival date will be the day before the first hunting day and the departure date will be the day after the last hunting day. All shooting trips start and finish at the stated airport, which we will advise on, depending on the hunting country.
- Total Price:** **Depending on requirements.** please contact Sybarite Sporting.
- Booking Terms:** Booking will be confirmed upon receipt of a 50%, non refundable, deposit. The remaining 50% balance is due no later than thirty (30) days prior to the first shooting date. Please see our booking terms & conditions at:- www.sybaritesporting.com/terms-conditions
N.B. Billing invoices can be made in £ Sterling, € Euro and US\$ Dollar.

Sybarite Sporting™

Sybarite Sporting also organise classic hunting itineraries in Africa, Europe and deer stalking in the UK. With our partners, we create classic sustainable-use conservation hunting itineraries and shooting days that balances biodiverse ecosystems and local (often indigenous and/or tribal) community integration with a fastidious sybaritic, sporting escapade.

IBEX & CHAMOIS HUNTING

The Ibex and the Chamois are the ballet dancers of the mountain cliff edges, and grazers of high alpine meadows. Providing the hunter is in good physical condition, the scenery and landscape views achieved while harvesting these magnificent animals, are simply breathtaking - this is a testing combination of hunting agility and rifle marksmanship! · www.sybaritesporting.com/ibex-chamois-hunting
