Kenya Big Game Sea Fishing & Tsavo Bush Camp Safari

The journey is part of the destination...

Malindi | Watamu & Tsavo East NP

6 days / 7 nights - combining two of Kenya's most exciting and wildlife-rich wildernesses.
2 days Big Game Sea Fishing (Indian Ocean) & 3 days Big Game Bush Safari (Tsavo NP)

SYBARITE SPORTING

Kenya Big Game Sea Fishing & Tsavo Bush Camp Safari Malindi | Watamu & Tsavo East NP

- Fishing:** The main billfish season runs from October to late March; October to December sees good Sailfish numbers, and from December onwards is the best Marlin & Broadbill fishing.
- Safari:** October to November can see short rains in Tsavo, when the migratory birds arrive. December to late March the park is dry, low vegetation gives for the best game viewing.
- Location:** Malindi & Watamu, North Kenya Coast & Tsavo East NP (Galana), South Eastern Kenya.
- Travel:** International flight to Nairobi J.K. Airport (NBO) with transfer to Malindi Airport (MYD). All fishing / safari itineraries start and finish in Malindi, unless the itinerary is part of a pre-booked longer safari itinerary.
- Accommodation:** A night in Nairobi, before and/or after the fishing / safari, depending on flight time schedules, is often advisable after a long journey, to acclimatise and/or to see the area.
Coast: Malindi - secluded, castaway chic style, beach bandas.
 Watamu - beach front bar, fishing lodge with swimming pool.
Safari: Galana river tented camp next to Galana Wildlife Conservancy & Tsavo East NP.

Further information at:- www.sybaritesporting.com/kenya-sea-fishing

Booking Terms: Booking will be confirmed upon receipt of a 50%, conditional deposit. The remaining 50% balance is due no later than sixty (60) days prior to the departure date. The primary named guest is responsible for all and total payment. Please see our full booking business terms & conditions at: www.sybaritesporting.com/terms-conditions
N.B. Billing invoices can be made in £ Sterling, € Euro or US\$ Dollar.

Insurance: Worldwide deep sea fishing insurance (www.sportscoverdirect.com) is highly advisable!

Medical: We recommend you visit a Travel Doctor or GP before departure to Kenya, to discuss any vaccinations or medication you may require.

Sunlight: Due to the close proximity to the equator, the sun is exceptionally strong, with the white sand increasing its effect. A broad spectrum, high SPF sunscreen or block is highly advisable, together with headwear and sunglasses, for direct ultraviolet (UV) sunlight protection.

Charity Donation: The cost of your fishing / safari includes a small 'Sybarite Community Conservation Contribution', however we kindly ask you to consider a direct donation for the following three (3) organisations, to support their work promoting community wildlife conservation and sustainable food utilisation - a discretionary donation is suggested on the invoice, and would be split equally between the organisations, unless requested otherwise - we thank you for your consideration.
