Alpine Ibex (*Capra ibex*) Hunting

The Alpine Mountains of Austria & Slovenia

- Date(s):** Hunting 1st August to 31st December; Best Time (Rut): end-November to mid-December.
- Ibex / Hunters / Days:** No. of days & Alpine Ibex per rifle (stalker / hunter) - to be confirmed.
- Itinerary Price:** Pricing depends on location and accommodation.
- Management Species:** Alpine Ibex (*Capra ibex*) also known as the steinbock or bouquetin, are instantly recognisable in the European Alps, displaying extreme sexual dimorphism and horn length - the females are significantly smaller.
- Insurance:** European shooting / hunting liability insurance is required.
GLOBAL+rescue Travel, medical and evacuation insurance for and stating 'Game Hunting' for the required country, is highly advisable: www.sybaritesporting.com/insurance
- Firearms:** Rifles & ammunition maybe borrowed or imported for hunting Alpine Ibex.
Rifles & Ammunition There is a good selection of quality scoped game rifles that maybe borrowed. If guests wish to bring their own rifles, we can organise 'Firearms Import Permits' and advise on specific country import limits on rifles and ammunition. We recommended that a rifle calibre of no less than 7mm with a bullet of 160+ grains; .270 or the .30 calibres for Alpine Ibex is preferred, fitted with a good 'mountain range' hunting rifle scope.
N.B. We will advise on the legal use of sound moderators per hunting country.
- Accommodation:** ● Accommodation is based on the number of hunters & guests for stated nights. (i.e. from the night before the first hunting day to and including the night of the last hunting day), breakfast and lunch is included in the total Ibex hunting price. The hotel / hunting lodge depends on hunting country and location.
- Travel Details:** The arrival date will be the day before the first hunting day and the departure date will be the day after the last hunting day. All hunting trips start and finish at the stated airport, which we will advise on, depending on the hunting location.
- Total Price:** **Depending on requirements...please contact Sybarite Sporting.**
* Price is subject to transport outset, hotel room occupancy and Game Fee ± (see page 3).
- Booking Terms:** Booking will be confirmed upon receipt of a 25%, conditional deposit.* The remaining 75% balance is due no later than sixty (60) days prior to the first hunting date. The primary named guest is responsible for all and total payment.
* Please see our booking T&Cs at: www.sybaritesporting.com/terms-conditions
N.B. Billing invoices can be made in £ Sterling, € Euro and US\$ Dollar.

AFRICAN BUFFALO & PLAINS / BUSH GAME HUNTING

The Cape buffalo (*Syncerus caffer*) is one of Africa's most impressive and challenging animals to hunt, and can be a serious adversary when not respected! With hunting safari operations in Mozambique, Namibia, Tanzania and Zimbabwe we can organise plains and bush game hunting in many of Africa's diverse and beautiful landscape habitats: www.sybaritesporting.com/buffalo-hunting-africa
