Kenya Big Game Sea Fishing

The journey is part of the destination...

Malindi | Watamu

4|5 days / 6|7 nights big game sea fishing from the tropical white sand beaches of Kenya's north coast. Experience the world-renowned fishing water of the Indian ocean.

SYBARITE SPORTING

Kenya Big Game Sea Fishing Malindi | Watamu

- Season:** The main billfish season runs from October to late March; October to December sees good Sailfish numbers, and from December onwards is the best Marlin & Broadbill fishing. Daily coastal temperatures range from 27°C in July through to 32°C in March. Further big game fishing information at:- www.sybaritesporting.com/kenya-sea-fishing
- Location:** Malindi & Watamu, North Kenya Coast - Western Indian Ocean (WIO).
- Travel:** International flight to Nairobi J.K. Airport (NBO) with transfer to Malindi Airport (MYD). All sea fishing itineraries start and finish in Malindi, unless the itinerary is part of a pre-booked longer safari itinerary.
- Accommodation:** A night in Nairobi, before and/or after the fishing itinerary, depending on flight time schedules, is often advisable after a long journey, to acclimatise and/or to see the area - we can advise and organise this if required.
- Kenya Coast:**
Malindi accommodation - secluded, castaway chic style, beach bandas.
Watamu accommodation - beach front bar, fishing lodge with swimming pool.

 - Suggested charity donations to sustainable marine and wildlife conservation organisations.
 - Overnight fishing to North Kenya Banks or South Mlima for Broadbill Swordfish fishing.

Booking Terms: Booking will be confirmed upon receipt of a 50%, conditional deposit. The remaining 50% balance is due no later than sixty (60) days prior to the departure date. The primary named guest is responsible for all and total payment. Please see our full booking business terms & conditions at: www.sybaritesporting.com/terms-conditions
N.B. Billing invoices can be made in £ Sterling, € Euro or US\$ Dollar.

Insurance: Worldwide deep sea fishing insurance (www.sportscoverdirect.com) is highly advisable!

Medical: We recommend you visit a Travel Doctor or GP before departure to Kenya, to discuss any vaccinations or medication you may require.

Sunlight: Due to the close proximity to the equator, the sun is exceptionally strong, with the white sand increasing its effect. A broad spectrum, high SPF sunscreen or block is highly advisable, together with headwear and sunglasses, for direct ultraviolet (UV) sunlight protection.

Charity Donation: The cost of your fishing itinerary includes a small 'Sybarite Community Conservation Contribution', however we kindly ask you to consider a direct donation for the following three (3) organisations, to support their work promoting community wildlife conservation and sustainable food utilisation - a discretionary donation is suggested on the invoice, and would be split equally between the organisations, unless requested otherwise - we thank you for your consideration.
