Sustainable-Use Conservation Management

Alpine Ibex Hunting (Capra ibex)

The Alpine Mountains of Austria

- Date(s):** Hunting 1st August to 31st December; Best Time (Rut): end-November to mid-December.
- Ibex / Rifles / Days:** 1 Ibex per rifle (stalker / hunter).
- Price:** Hunting Pricing depends on location and accommodation.
Payment terms available in £ Sterling, € Euro or \$ US Dollar.
- Management Species:** Alpine ibex (Capra ibex) - also known as the steinbock or bouquetin. Instantly-recognisable in the European Alps, the Alpine Ibex display extreme sexual dimorphism, with horn length up to 100 cm, and females being significantly smaller.
- Insurance:** European shooting / hunting liability insurance is required.
Travel / medical insurance for and stating 'Game Hunting' for the required country is highly advisable:-www.sybaritesporting.com/insurance
- Firearms:** Rifles & ammunition maybe borrowed or imported for hunting Alpine ibex.
Rifles & Ammunition There is a good selection of quality scoped game rifles that maybe borrowed.
If guests wish to bring their own rifles, we can organise 'Firearms Import Permits' and advise on specific country import limits on rifles and ammunition. We recommended that a rifle calibre of no less than 7mm with a bullet of 160+ grains; .270 or the .30 calibres for Alpine ibex is preferred, fitted with a good 'mountain range' hunting riflescope.
N.B. We will advise on the legal use of sound moderators per hunting country.
- Accommodation:** Accommodation is based on the number of hunters & guests for 3-4 nights (i.e. from the night before the first hunting day to and including the night of the last hunting day), lunch and dinner is included in the total Ibex hunting price.
The hotel / hunting lodge depends on hunting country and location.
- Travel Details:** The arrival date will be the day before the first hunting day and the departure date will be the day after the last hunting day. All hunting trips start and finish at the stated airport, which we will advise on, depending on the hunting location.
- Total Price:** **Depending on requirements...please contact Sybarite Sporting.**
- Booking Terms:** Booking will be confirmed upon receipt of a 50%, non refundable, deposit.
The remaining 50% balance is due no later than thirty (30) days prior to the first hunting date. Please see our booking terms & conditions at:-
www.sybaritesporting.com/terms-conditions
N.B. Billing invoices can be made in £ Sterling, € Euro and US\$ Dollar.

SYBARITE SPORTING

- Included:**
- Sybarite Sporting services as acting agent on your behalf.
 - Road transfer from airport to hotel/lodge, hunting areas & return.

Sybarite Sporting™

Sybarite Sporting also organise classic hunting itineraries in Africa and deer stalking in the UK. With our partners, we create classic sustainable-use conservation hunting itineraries and shooting days that balances biodiverse ecosystems and local (often indigenous and/or tribal) community integration with a fastidious sybaritic, sporting escapade.

AFRICAN BUFFALO & PLAINS / BUSH GAME HUNTING

The Cape buffalo (*Syncerus caffer*) is one of Africa's most impressive and challenging animals to hunt, and can be a serious adversary when not respected! With hunting safari operations in Mozambique, Namibia, Tanzania and Zimbabwe we can organise plains and bush game hunting in many of Africa's diverse and beautiful landscape habitats: www.sybaritesporting.com/buffalo-hunting-africa
